## Swiss Life Investo Green Comfort

### What is Swiss Life Investo Green Comfort?

You can take out our fund-linked pension insurance as a private pension scheme or with state funding (as a basic pension). This gives you high yields for your old age: It focuses on optimal opportunities for yields as well as the greatest possible flexibility. If you choose the tariff Swiss Life Investo Green Comfort, you don't need to do anything – we will perfectly tailor your investments to your personal investment profile and optimise your portfolio on a regular basis. At the same time, you enjoy the special extra of flexibility: While your contract is active, you can individually adapt it to your needs.

### That's especially important to us in our investments

#### G

**GOVERNANCE**  
(Corporate governance)

The companies that you invest in must meet their corporate responsibility towards society. Their guidelines must prevent bribery, corruption and fraud.

#### E

**ENVIRONMENT**

If companies treat their resources and the environment sustainably and with care, they make a positive contribution to their environment. This is also referred to as 'environmentally friendly'.

#### S

**SOCIAL**

The social aspect involves ensuring that monetary investments protect and improve our society's future. Good working conditions, human rights and peace should be guaranteed.
